

## Board of Directors

The Board of the NHAIMH strives to represent the needs of the full complement of stakeholders in the field of Early Childhood Mental Health.

Board members represent a wide variety of disciplines including health, mental health, early learning and family support, academics and administrators, from state and private agencies, as well as family and community members. The Board seeks to have representation from all geographic regions of NH and to reflect cultural diversity.

For more information about Board membership, contact us at our website:
